

# MULTIMEDIA FOR GLOBAL CITIZENS 2024

The Manitoba Council for International Cooperation (MCIC) is proud to present our International Development Week (IDW) Multimedia List. This list features resources that connect us with themes of sustainability, gender equality, and global issues. We hope they will enlighten and inspire you to support a just world.

## Women's Health and Gender Inequalities

Podcast (3 episodes), 2021

Hosted by WHO's Vismita Gupta-Smith

A special podcast series on Women's Health and Gender Inequalities created by the WHO, UN University International Institute for Global Health and the BMJ, to mark the 25th anniversary of the Beijing Platform for Action on Women, a landmark global blueprint for women's rights. The series looks at what has progressed in the last 25 years, current and emerging issues relevant for women and their health, and future priorities for women's health and gender equality.

## Truth Against Distortion: Survivors Speak out Against Hate

Documentary, 2022

Under the guidance of their award-winning teacher, Kelly Hiebert, students of the Westwood (Collegiate) Historical Society interviewed local Holocaust survivors and produced a film focusing on survivor experiences and the current rise in antisemitism and Holocaust distortion.
