GOAL 17: PARTNERSHIPS FOR THE GOALS

BY: MARGREET DE HEER

WE MUST MAKE SURE WE MEET THESE GOALS BY 2030!

THEY MUST BE INCLUDED IN **NATIONAL PLANS**.

ALL COUNTRIES MUST **WORK TOGETHER** TO IMPLEMENT THE GOALS.

POLICIES AND LAWS BASED ON 17 GOALS

GETTING INVOLVED IN **COMMUNITY WORK** AND WITH **AID ORGANIZATIONS** IS A GREAT WAY TO START!

GOVERNMENTS MUST WORK TOGETHER WITH CONCERNED PEOPLE OF ALL AGES IN ORDER TO MAKE PROGRESS ON THE GOALS.

In order to achieve all the targets laid out in the 2030 Agenda, we will have to revitalize and enhance the ability for governments, civil society, the private sector, the UN and other stakeholders to mobilize the necessary resources.

Improving effective support for developing countries, and in particular least developed countries and small island states, is essential to equal progress for all.

Find this cartoon and other lesson resources at the [World's Largest Lesson page](#) for Sustainable Development Goal 17.

Access [this short fact sheet](#), and share with your children for information about Goal 17: Partnerships for the Goals.

GOAL 17: PARTNERSHIP FOR THE GOALS

ONLINE RESOURCES
FOR TEACHING THE
SUSTAINABLE DEVELOPMENT GOALS
FROM HOME

For your child in elementary:

This lesson encourages students to learn more about the Sustainable Development Goals (SDGs) and helps them think through problems facing the world today while connecting them to the SDGs. [Introducing the Global Goals](#) is designed for ages 8-11 and is a great introduction to the SDGs.

For your child in middle years:

Check out the United Nations' [Lazy Person's Guide to Changing the World](#) and challenge your child to pick 2 things that they can do around the home to help change the world. You can also look in each chapter of our Sustainable Foundations guide to find more ideas on how to take action under Resources for each goal (link at bottom of this document). To connect to others learning from home, have your child challenge classmates to see what they can do to change the world!

For your child in high school:

The Alberta Council for Global Cooperation has a package of lesson plans for all ages, including a workbook for youth on how to identify which issues they are passionate about and how to take action. This guide to action was created by young people who have worked to achieve their goals and initiate positive change in the world. You can access [all Grade 7-12 lessons here](#) and the [TakingITGlobal Guide to Action: Simple Steps Towards Change here](#).
