HAPPY SEPTEMBER, AND WELCOME BACK TEACHERS!

We hope you and your students had a great summer vacation. We are very excited to work with you on teaching the Sustainable Development Goals in your classroom again this year!

CLASSROOM WORKSHOPS ARE COMING SOON!

This school year MCIC will be offering **in-person** and **virtual** classroom workshops starting in October. Stay tuned for more details and workshop booking information in our October newsletter.

Please contact youth@mcic.ca if you have questions and be sure to check out all our education resources on [our website](#).

WORLD'S LARGEST LESSON
SEPTEMBER 20-24, 2021

[Global Goals Week](#) from the *World's Largest Lesson* is coming up September 20th-24th.

Global Goals Week is the ideal time to shine a light on the Sustainable Development Goals and encourage student action.

We have five easy activities that every student and school can take part in to support the Goals—one for each day of the week.

Explore the [Global Goals Week Action Plan](#) and let's make this the biggest Global Goals Week ever!

#ACT4SDGS SEPTEMBER 25

September 25th, 2021 marks the sixth anniversary since the adoption of the Sustainable Development Goals.

Celebrate with others around the world by putting your action on the map — [register your action here](#).
